Mr. W. E. Parker, Treasurer
WAYLAND CIVIC CLUB
Wayland, Kentucky

Dear Everette:

I have received a letter from Scoutmaster, Phillip Johnson, Wayland Troop No. 26, with supporting signatures of Dan Slone, Fred Hall and J. T. Spillman having to do with a contribution of \$1,000.00 from the funds we have in support of the Scout movement and their needs to help them do a better job with these fine boys there at Wayland. I am signing the authority and I know you will agree that no better place could be found for which to make a contribution.

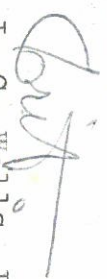

Those who work in Scouting, such as Phillip, are doing a good service to our community - working with the boys and helping them to start right on their long road of life. I salute this effort.

I am preparing the authority, signing myself, and returning it to Phillip to have the others sign and deliver it to you - as authority for issuing the check.

Will you please handle.

Sincerely yours,

WAYLAND CIVIC CLUB
