

ELK HORN FUEL COMPANY.
ELK HORN MINING CORPORATION.
LAND OFFICE.

File 1-2-Ca 1.

Wayland, Kentucky, September 21, 1915.

Mr. J. F. Caulfield,
Assistant Treasurer,
Elk Horn Fuel Company,
New York, N. Y.

Dear Sir:-

I have received your letter of the 13th with copy of bill of J. N. Harris attached. I give below such information as I have in regard to the items of the bill and the items from a previous bill mentioned in the last paragraph of your letter.

(1) Two certified copies of deeds. May 15, 1914. \$2.00

I can not identify these deeds from the information given or say whether or not the originals or the certified copies from the County records charged for are in my office.

(2) Recording deed from W. H. Layne to Gibson Coal & Coke Company.
May 15, 1914 (?) \$2.70

I have a deed, dated February 23, 1914, from Will H. Layne, Master Commissioner, Floyd Circuit Court, to Gibson Coal & Coke Company, recorded June 5, 1914, Book 40, page 501, which I take to be the deed referred to in this item. It covers the Ellis and Milton Ramsey tract (BC-1069 & BC-1163: our E-5) and was delivered to me some months ago by Mr. Combs. The charge for recording is not noted on the deed but it is marked in pencil "Charge to Elk Horn Fuel Co." (This is the intermediate deed in the transfer of this tract to the E.H.F.Co.; the final deed from the Gibson Coal & Coke Co. is being held by Mr. Combs for the payment of \$200 reimbursement on purchase price.)

(3) Recording deed from W. H. Layne to Midland Coal Company.
June 1, 1914. \$3.30

I have this deed, which was delivered to me by Mr. Combs. It is dated May 26, 1914, lodged for record June 1, 1914 and recorded in Deed Book 40, page 496 et seq. This is the first deed in the transfer of the Clell Haynes tracts (Old Nos. 1033 and 1043: our Nos. E-6 and E-7) from the Commissioner to the E. H. F. Co. This deed covers one tract of 39.11 acres and one of 154.91 acres, a total of 194.02 acres, mineral, on Left Fork of Toler's Creek of Big Mud Creek.

(4) Copying deed from Wm. & Zella Estep. 9 pages. June 9, 1914. \$2.70

I do not have the copy referred to. I have the original deed and it may be that a certified copy from the County records was required by the Legal or Engineering Department for use in the suit pending of T. A. Martin vs Elk Horn Fuel Company and Elk Horn Mining Corporation.

(5) Recording deed from V.B. Martin to P. Salisbury. July 16, 1914. \$2.00.

I have no knowledge or record of this deed.

(6) Recording certified copy deed from W. Estep to T. Martin.
December 1, 1914. \$1.00

I have no knowledge or record of this transaction. I do not understand why a certified copy was recorded. The charge is possibly for a certified copy of the deed for use by the Legal or Engineering Department in the T. A. Martin suit.

(7) Recording deed from Francis Patton to E. H. Fuel Co.
December 1, 1914. \$4.85

This deed was delivered to me by Mr. Combs and is now in my office. It covers our tract BC-26 and was taken to correct the original deed which by error described another tract.

(8) Recording deed from Ohio & Big Sandy Land Association.
December 16, 1915 (?) \$3.05

This deed is in my office. It is dated July 16, 1915, recorded August 2, 1915, Deed Book 44, page 324. This is the final conveyance to the Elk Horn Fuel Company of the Clell Haynes tracts on Toler's Creek, (E-6 and E-7)

(9) Recording notarial bond, Mrs Sechler. \$1.00

This matter was handled by the Legal Department and the Land Office has not been supplied with the bond or copy.

Items in last paragraph of your letter.

(10) Recording deed, Midland Coal & Iron Company to Ohio & Big Sandy Land Association.

This deed is in my office. It is dated February 16, 1915 and recorded March 16, 1915 in Deed Book No. 44, page 147 et seq. Tax & Fee \$4.45. This is the intermediate deed in the conveyance of the Clell Haynes tracts, (E-6 and E-7)

(11) Recording deed from Mack Newsom to A.L.Martin.
