#### National History Day

National History Day is an educational program designed for students in grades 6-12. Throughout the school year, students conduct research using primary and secondary resources to prepare projects based on an annual theme. The annual theme is broad enough to encourage investigation of topics ranging from local and state history to national and world history.

NHD has two divisions: junior division (grades 6-8) and senior division (grades 9-12). Students may do individual or group projects in any one of four categories: Research Paper (individual only), Exhibit, performance, or Documentary.

College scholarship money is available in the senior division for the 1st place state and/or national winners.

Two schools represented Floyd County in the Regional competition held March 14, 2003 at Prestonsburg Community College. Students from McDowell Elementary and John M. Stumbo participated in the Junior Division.

Shayne Wicker, sponsor for McDowell Elementary has participated in National History Day for the last twelve years. Mickey Newsome, first year sponsor from JM Stumbo, also participated!

1st Place Individual Exhibit — Thomas Tackett, McDowell 1st Place Group Exhibit — Mason Gayheart, Alex Hall, Brian Johnson and Chad Patrick — McDowell

1st Place Documentary — Ethan Gayheart and Marty Dye — McDowell

2nd Place Individual Exhibit — Kory Henry, John M. Stumbo

2nd Place Individual Exhibit — Cecily Howell, John M. Stumbo

These students will travel to the Kentucky History Center in Frankfort, Ky Saturday, April 26 to compete in the state competition! Good luck!!

#### Kentucky's Nicholas Green Distinguished Student

#### Rossi Clark

Rossi Clark, a fourth grader from Allen Elementary School, has been chosen to receive the distinction of being Kentucky's 2002-2003 Nicholas Green Distinguished Student. The award is given to one student from each state, each year.

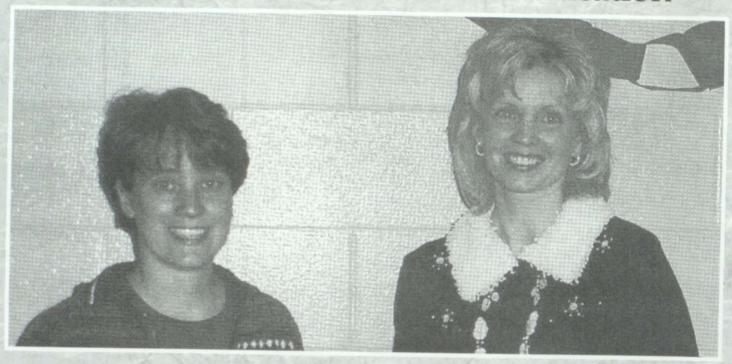

Rossi is the daughter of Gary R. and Kathy Clark of Harold. Rossi plays the violin as well as the mandolin and dulcimer. Linda Bartrum, the school's curriculum resource teacher nominated Rossi for the award. Ms. Bartrum states Rossi has shown the qualities of an excellent writer and performer, as well as being a talented and gifted student who excels academically.

In order to be considered for the award, Rossi was required to submit a 300-word composition that described a special activity or area of interest. Rossi wrote about the importance of preserving mountain traditions.

Rossi received a \$500. U.S. Savings Bond and a certificate from the National Association for Gifted Children in recognition of her achievement during an awards ceremony and reception that was held at Lexington's Marriott Hotel.

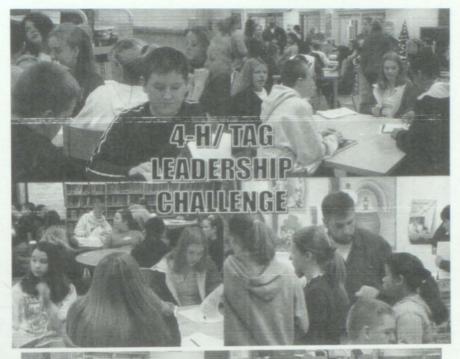

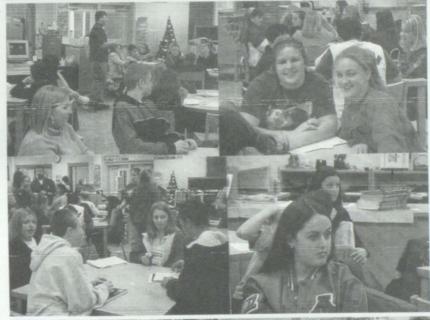

#### Two Floyd County Teachers Achieve National Board Certification

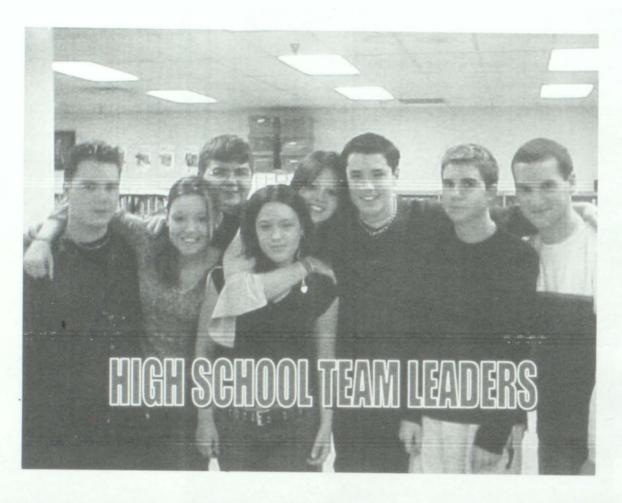

The National Board for Professional Standards recently announced that 204 teachers in Kentucky earned their profession's top honor this year by achieving National Board Certification. With the new certificates, the state now has 356 National Board Certified teachers. Kentucky ranks 10th Nationwide in Certification results. National board certification is a symbol of teaching excellence. These teachers go through a voluntary process, established by the National Board for Professional Teaching Standards, that is achieved through a rigorus performance-based assessment taking nearly a year to complete. Throught this process, teachers document their deep knowledge of the subject matter they teach, provide evidence that they know how to teach their subjects to students effectively, and demonstrate their ability to manage and measure student learning. We are very proud of two Floyd County teachers who have achieved this certification. Patricia Lynn (Meade) Handshoe, teacher at Allen Central Middle School; and Carolyn M. Ferrell, teacher at Betsy Layne Elementary School are recognized for their achievement as National Board Certified teachers.

#### SFHS Student Achievement

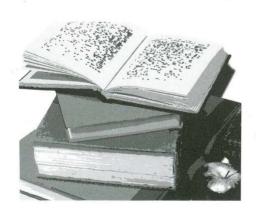

South Floyd High School is recognizing students for their accomplishments throughout the school in each subject area. Students were nominated and chosen at the bi-monthly department meetings. Each department setup its own criteria for selection. Students selected for the month of October are Zak Meade for Language Arts, Lesley Mullins for Social Studies and Arts and Humanities, Brita Meade for Vocational, Amber Roberts for Science, and Josh Johnson for Mathematics.

Students selected for the month of November are Carla Hall for Language Arts, Lesley Mullins for Science, Megan Hall for Arts and Humanities, Meka Hall for Social Studies, Jarrod Gibson for Math, Adam Taylor for Vocational/Practical Living, Jessica Lafferty for Psychology, and Crystal Ramsey for French.

The months of December and January were combined due to bad weather. Students of the month for December/January are Arts & Humanities — Lisa Fannin, Language Arts — Brittany Smallwood & Nora Newsome, Social Studies — Allison Curry, Science — Steven Stanley, Math — Debbie Johnson, Vocational/Practical Living — Tyler Martin, Psychology — Rebecca Conn, French — Josh Johnson, Physical Education — Adam Martin.

South Floyd High School is striving for excellence and feels that this is the perfect opportunity to present their brightest and best students. South Floyd High is very proud of the accomplishments of these students and would like to encourage them to keep up the good work.

South Floyd High School would like to recognize Stephanie Skeans for her accomplishments in the 2002 track season. Stephanie got to compete at the state level for shot put. Congratulations.

CONGRAGULEULEUS)

SIRBULUALE CO

JAMES YOU WERE SO FULL OF LIFE, ALWAYS SMILING, AND FEELING CAREFREE. YOU LOVED TO LAUGH AND HAVE A GOOD TIME, AND I LOVED YOU BEING A PART FOF ME.

YOU COULD MAKE ANYONE LAUGH, EVEN, IF THEY WERE HAVING A TERRIBLE DAY. NO MATTER HOW SAD I WAS FEELING, YOU COULD TAKE THE PAIN AWAY.

NOTHING COULD STOP YOU, NO ONE COULD MAKE YOU FALL. YOU WERE READY TO TAKE ON THE WORLD, READY TO DO IT ALL.

I DID NOT SEE IT COMING, IT TOOK ME BY SURPRISE. SAND WHEN YOU LRFT THIS WORLD, A SMALL PART OF EACH OF US DIED.

YOU LEFT WITHOUT A WARNING, NOT EVEN SAYING, GOOD-BYE. I CAN'T SEEM TO STOP, ASKING GOD WHY?

NOTHING WILL EVER BE THE SAME NOW, AND ITS HARD NOT SEEING YOUR FACE. JUST REMEMBER THIS, NO ONE WILL EVER TAKE YOUR PLACE.

YOUR SMILE COULD BRIGHTEN ANY ONE'S DAY, NO MATTER WHAT THEY WERE GOING THROUGH. AND I KNOW EVERY DAY FOR THE REST OF MY LIFE, WE WILL BE MISSING YOU.

WE LOVE AND MISS YOU!!

#### In Loving Memory Of 'Junior' Bentley

May 3, 1944-October 4, 2002

A gentle smile, a helpful manner and a genuine friend to all ... that was Junior Bentley. His passing on October 4, 2002 left a saddened staff and student body at May Valley. During his time here, Junior made many good friends. The students loved him because he was so good to them, letting them know that they could depend on him for help. Our staff members knew that everyone was special in Junior's eyes. He never complained when he was asked to do something - instead he grinned and said, "I'll try."

Junior was sick for a very long time, yet he chose to tell no one. That was the way Junior was. He never burdened others with his problems. He still managed to help anyone who asked and to be kind to all he

May Valley staff and students honor the memory of one of our "school family", as we dedicate this page to Ezekiel Bentley, Jr.

Poem "When Can I Smile Again"

When Can I Smile Again?

One of my classmates. One of my equals.

Why did she have to go?

Why so young?

Did she know how much she was loved?

Did she enjoy the short time she was here?

Now she can smile for she is an angel, watching over her family and friends.

So when can I smile again?
The answer is soon.
Even though she can't be seen,
She is here in spirit.
And she would want us to smile,
When we remember her.

Bragging Rights

Dr. Paul Fanning presented Allen Central Middle School a plaque recognizing ACMS as the top scoring middle school in the county. This "Bragging Rights" program began last year as an incentive program where the top scoring elementary, middle, and high schools are given the plaque to keep for the year. Allen Central Middle School students have taken the challenge of keeping the plaque secure at ACMS for years to come.
